

Haiti Relief Fund

Fairwinds joining in the Haitian relief effort.

From now until January 31st, Fairwinds will be donating \$10 from every green fee to the Haitian relief efforts following the devastating earthquake that has rocked the small Caribbean country. If any patron would like to match that \$10 donation, Fairwinds will match it again, sending a total of \$30 to the relief fund.

If Fairwinds Members would like to participate, we will match all \$10 donations from the membership also. In addition, The Government of Canada will match dollar to dollar the contributions of individual Canadians up to a total of \$50 million.

All donations will be made through the Canadian Red Cross Haiti Earthquake Fund.

Thank you in advance for your generous support.
