

## **IMPORTANT NOTICE TO ALL NANOOSE BAY RESIDENTS**

October 12, 2011

Please be aware that there has been a rash of thefts in the Nanoose area, from Beachcomber to Schooner Cove and Fairwinds. The thieves have been targeting marine-related items such as small outboards, downriggers and boat trailers. We have lost these types of items from the Marina over the last couple of weeks, including boat trailers from the upper gravel lot.

Not only have the thieves been working the local marinas such as Beachcomber and Schooner Cove, they have been targeting homes and backyards as well.

We encourage you to please report any suspicious activity around Schooner House and Schooner Cove Marina to the Oceanside RCMP at (250) 248-6111 and to Greg Dunn at Schooner Cove Marina at (250) 468-5364.

To ensure accuracy and efficiency, the RCMP must be called as soon as possible after the sighting of any unusual occurrence. Things that may seem trivial to us could be a very important piece of a bigger puzzle to the RCMP.
