

## you're invited

Fairwinds cordially invites all residents of Nanoose Bay to attend Public Open House #3.

At Open House #2 in November 2008, land use concepts were explored for the Lakes District and Schooner Cove neighbourhoods, both of which are designated for future urban growth under the Regional District of Nanaimo's Regional Growth Strategy and the Nanoose Bay Official Community Plan. Comments and working sessions with the public, the Community Advisory Group and RDN staff have contributed to the preparation of Draft Neighbourhood Plans, which will be available for public review at Open House #3.

Following Open House #3, preferred Neighbourhood Plan concepts will be completed in compliance with the RDN Regional Growth Strategy, and will be considered by the RDN, in an amendment to the Official Community Plan.

### Schooner Cove

**Date:** Tuesday, May 5, 2009

**Time:** 4:00pm-8:00pm
