

Fairwinds Marina Patrons

After careful consideration, Fairwinds Ownership and Management will be implementing changes and heightened safety precautions as they relate to the operations and services at Fairwinds Marina, effective at 5 pm today.

The Fairwinds Marina will remain accessible for monthly, semi-annual and annual customers only. No transient boaters will be accepted until further notice. The Marina Office will be closed to the public as of 5 pm March 16, 2020, but limited staff will remain on-site during limited hours, and available via phone or email to monthly, semi-annual and annual customers for renewal payments and gas sales only.

The situation with Coronavirus (COVID-19) is evolving rapidly and our top priority is the safety of our patrons and staff. We have been fortunate that no members of our community (that we are aware of) have tested positive for the virus, but due to the high risk associated with social contact, we believe this is the best decision at this time.

We understand this closure will have a significant impact on our community. If you have further questions about the closure, please email the Fairwinds Marina Manager at dkratt@fairwinds.ca. We kindly ask for your patience as we endeavour to respond. We plan to provide updates as the situation continues to evolve. This is an unprecedented situation for all of us and we value your understanding and patience as we navigate these unprecedented and challenging times.

Yours sincerely,
Fairwinds Ownership
